

6 DAYS ON THE LAKE

□

This adventure takes us on an exciting fishing and wilderness adventure.

We let the weather set the pace and we see what the days bring. We sleep at the lake shore in tents and prepare our meals on open fire – surrounded by the beautiful and untouched nature.

- Day 1 Pick-up in Fort St. John at noon and driving through Peace Valley to Hudson's Hope. 1-hour boat trip to the lodge. Unpacking, relaxation and a safety meeting. You will meet your guide and have a talk about the plan for the week. Maybe a short evening trip on the lake to get the lines wet.
- Day 2 We start early, pack the boat and head for the lake. We spend the day fishing and scouting for the best spot to set up camp. Maybe a fresh Lake Trout for lunch?
- Day 3-5 We explore the magnificent Williston Lake with its many inlets, rivers and creeks. We can pack our lunch in our backpacks and go explore the mountains that surround the lake. We can fish for huge Lake Trouts and Bull Trouts. We spend the last night at the lodge where we have a traditional Canadian barbeque.
- Day 6 We leave the lodge just after breakfast, and head towards civilization. We expect to be in Fort St. John by noon.
