

# 8 DAYS BACKPACKING / EXPLORING

□

*This adventure takes us far out in the back country of the Rocky Mountains. We bring all our gear in back packs, so bring a good pair of hiking boots and be in a good physical condition!*

*There will be spectacular sceneries... while hiking silent through the untouched wilderness, you might have close-up encounters of the big game of Canada. We sleep in tents and let the day and nature decide where and when we go.*

*A true wilderness adventure is waiting for you...*

- Day 1 Pick-up in Fort St. John at noon and driving through Peace Valley to Hudson's Hope and 1-hour boat trip to the lodge.
- Day 2 We drive 1 hour on the side-by-sides up to a base camp where we have our lunch and make the last preparations for the trip. To save some time and energy, the horses will take us up the first mountain and we set up camp for the night.
- Day 3-5 We wake up surrounded by the beautiful Rocky Mountains, and have our breakfast around the camp fire. We will spend the next 3 days hiking through the beautiful mountain rich terrain. We enjoy the silence and the beauty of nature. The last day we head down to base camp and back to the lodge, where a hot shower and a healthy home made super is waiting.
- Day 6 - 7 We spend the days exploring the area on a side-by-side, go look for fossils and maybe we have a close encounter with one of our many grizzly bears! We can spend some time fishing on the lake or just relax and enjoy the amazing view over the lake from our deck.
- Day 7 We leave the lodge just after breakfast, and head towards civilization. We expect to be in Fort St. John by noon.
