The fall hunt for the Elk is a big part of our adventures at Williston Lake Outfitters. The exciting hunt for elk begins in September, when the rut is in full swing. We have a good population of elk, with some very good trophy class animals. The beautiful sounds of a bugling Elk echoing through the mountains, takes the breath away from even the most hard-core hunter... and the exciting cat and mouse stalk begin.

During the hunt for Elk, we will use Side-by-sides and boats, as well as good long stalks on foot. Hours will be spent glassing and calling from high mountains, with a spectacular view of the changing colors of the forest or chasing the bulls in their favorite habitat, the bush. We stay at our main lodge or at remote cabins, depending on how the hunt plays out, and where we have spotted the largest bulls.

No matter your physical ability, your wish to hunt with your bow or your riffle, we will adapt, and make your dreams for a great hunt come true.

You can combine your hunt for Elk with a hunt for Moose, Mountain Goat.

If you need a break from hunting, we have very great fishing opportunities at the huge Williston Lake or at our many rivers, creeks and lakes.
