

EXPLORE THE WILDERNESS

At Williston Lake Outfitters we have nothing less than a paradise for those who want to explore the un-spoilt nature and the Canadian wilderness.

We are located at the shore of Williston Lake in the Rocky Mountains, B.C. We go 65 km by boat from Hudson's Hope to our area – so if you want a get-away from civilization, you have come to the right place.

We have so many options to give you an adventure of a lifetime, not matter if you prefer fishing, long hikes, horse-back riding, photo safari or watching the great North American animals, or all of it at the same time.

You can stay at our comfortable lodge with the most spectacular view over the lake, or you can stay at many of our smaller remote cabins and tent camps spread all over our vast area.

We want you to feel exclusive and therefore we only take smaller groups at a time, so you will feel that you have our 400,000-ha territory all by yourself!

We will be more than happy to **customize your adventure** to meet your dreams, expectations and wishes

»Share your thoughts, and we will put in all effort to fulfill your wildest dreams of a true wilderness adventure«
