Williston Lake Outfitters provides exiting hunts on the Canadian Moose in our very vast hunting territory.

Your professional guide will take you on an adventure of a lifetime, spotting, calling and stalking this majestic animal, when they are crossing and searching for cows in rut. The guide knows the good spots by and between our many lakes and creeks or up in the many meadows in the high country.

We hunt most of our Moose in the mountains as a horseback / tent camp hunt, but we also find the bulls in the lower parts of our area, where we use side-by-sides as transportation during the hunt. You can stay at our lodge or in a remote cabin, depending on your desires for adventure and how the hunt plays out.

No matter your physical capability, your wish to hunt with your bow or your rifle, we will adapt, and make your dreams for a great hunt come true.

You will not find it hard to leave your everyday life behind for a short while! This is a true wilderness adventure!

You can combine your hunt for Moose with hunt for Mountain Goat and Elk.

If you need a break from hunting, we have very great fishing opportunities at the huge Williston Lake or at our many rivers, creeks and lakes.
